

CAMEO
DENTAL SPECIALISTS
Endodontics • Periodontics • Oral Surgery

Dear Patients,

As parents, sons and daughters, relatives, friends, coworkers and healthcare professionals, we are deeply concerned and affected by the threat of the coronavirus in our community. For over forty years, Cameo remains committed to best practices for the health and safety of our patients and staff while providing specialty and emergency dental care.

We are constantly monitoring guidance from the American Dental Association, the Centers for Disease Control, Illinois Department of Public Health, and other authorities and are adhering to even more stringent infection control practices to protect our patients and team. We are passionate about providing excellent care and immediate pain relief, especially now, to take any burden off of emergency rooms.

At this time, our four Chicagoland offices remain open. As we continue to monitor developments, we will post updates as necessary. Please do not hesitate to reach out to us with any questions or concerns.

Thank you,
Cameo Dental Specialists
